

The Vatican, 6<sup>th</sup> November 2020

Beloved in the Lord,

Following the publication of the encyclical *Fratelli Tutti*, you were good enough to send a thoughtful letter to the Holy Father on behalf of yourself and the Teacher Teams of Latin America.

His Holiness cordially thanks you for showing how closely your views chime with his own; he assures you that you will be fervently remembered in his prayers, so that the Lord might grant you perseverance and faith in your educational task, witnessing to the brotherhood and joy of the Gospel to all around you. Along with these heartfelt desires, Pope Francis begs you to pray for him in his service to the holy People of God and, entrusting you to the motherly care of the most Holy Virgin Mary, the Mother of Hope, he gives you his heartfelt Apostolic Blessing, which extends to your families and all your loved ones.

Let me take this opportunity to express my esteemed thanks to you in Christ,

Mons. L. Roberto Cona
